Clothes according to the weather, bottle and backpack. You can also take your own bike helmet if you have, if not we will provide a one for you.

We gather together in our rental shop. Just a 20-30min walk or bus drive from the city center and you will find yourself from the middle of nature and Kauppi sports area. After that your guide will lead you to the bikes and help to choose the best size. From there your guidance will begin.

To tour operators:

We have a smaal dressing room in our rental shop if needed.

Participants can leave their belongings to our rental shop for the time of the guidance.

This activity is easy to combine with sauna, because we have two operating as our neighbors.

A guided fatbike tour can be arranged purely in Kauppi forest area with a brake at one of the public fire places.

With an additional price we can

...organize transportation for your group (a pick up from their hotel e.g..)

...add snacks and drinks at our rental shop for the ending, like waffles, 5€/pcs and coffee 3€/mug

...organize this for a bigger groups. As the bikes will be from our partner, it will raise the price.
